The Professional Engineer's and/or Professional Land Surveyor's responsibility is limited to plans and other documents displaying his/her signature and seal. Unauthorized use of plans and other documents is prohibited and includes, but is not limited to:
- Unauthorized use of plans and other documents prior to receipt of all review agency approvals
- Any revisions to plans and other documents after the date of the Professional's signature and seal
- This sheet whenever a revised sheet is issued
- Individual use of any sheet that is part of a set of plans

This applies to all plans and other documents associated with this project, whether this statement appears on them or not.
