The under ground utilities shown herein were plotted from available information and do not necessarily reflect the actual existence, nonexistence, size, type, number or location of these or other utilities. The General Contractor and/or owner shall be responsible for verifying the actual location of all under ground utilities, shown or not shown, and said utilities shall be located in the field prior to any grading, excavation or construction of any improvements. These provisions shall in no way absolve any party from complying with the Underground Facility Safety & Damage Prevention Act, Chapter 319, §36.
