PROFESSIONAL ENGINEER'S SEAL
INDICATES RESPONSIBILITY FOR DESIGN

Survey subject to Easements, Conditions, Restrictions and Rights-of-Way of record, and those not of record.

This is to certify that at the request of M.P. Industries, Inc. we have, during March 1988, made a survey and that the results are in accordance with the current minimum standards for property boundary surveys of the State of Missouri, excepting monuments, along existing or surveyed lines.
