

- GENERAL NOTES**
1. Do not scale drawing. Follow dimensions.
 2. Sections are symmetrical about construction centerline.
 3. For longitudinal and transverse joints, detail and bar requirements and curb dimensions refer to the "Pavement Construction Details for Integral Curb and Concrete Pavement".
 4. All necessary pavement markings by St. Louis County.
 5. Sections shown may not apply at intersections.
 6. Sidewalk thickness increases to 6" thru Private Driveways and 7" thru Commercial Driveways. See Entrance Construction Details.
 7. Reinforced concrete pavement required in industrial areas subject to heavy vehicular usage or high volume.
